SUMMARY OF EXAMINER INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

On October 10, 2007 at approximately 3:30 PM CDT the undersigned attorney for Applicant telephoned the Examiner to discuss the status of the application and the issues raised in the Response after Final Rejection filed September 19, 2007. During the conversation, the Examiner indicated that all rejections based on Faltesek et al. will be withdrawn pursuant to 35 U.S.C. § 103(c). The Examiner also stated that he would search for another reference with similar limitations to Faltesek et al. and that if one is found, a new Office Action will be issued and if not, the claims would be allowed.

To the best recollection of the undersigned, the foregoing is a complete and accurate summarization of all communications that took place between the undersigned and the examiner in connection with the above captioned matter. Any
